Dear Mrs. Leshchikova,

On behalf of the European Shooting Confederation, I would like to extend our warmest congratulations to you and your national team on your outstanding performance at the 2026 European Championship 10m in Yerevan.

Your athletes' success and the medals they secured are a clear reflection of the hard work, talent, and elite-level preparation within your federation. It was a privilege to witness such a high level of competition and sports spirit from your delegation.

Furthermore, I am delighted to congratulate your federation on winning 1 quota in Air Pistol Men event for the 2027 European Games in Istanbul. This is a great achievement, giving athletes the chance to represent their country at Europe's biggest multi-sport event.

We wish you all the best and look forward to celebrating more of your team's successes at our upcoming championships.
